**MARK L. HATCHER, CLERK
OF THE BANKRUPTCY COURT**

Honorable Christopher M. Alston

United States Bankruptcy Court : : Western District of Washington at Seattle
Case No. 16-11767-CMA
700 Stewart Street, Seattle, WA. 98101

Hon. Alston,

I object to the paying of any of these people until I get paid for what was stolen from me.

I have 458 units of .999 silver (One Ounce Troy) stagecoach bars delivered to storage account on 9/10/2015. (see Proof of Claim-Claim 837-Filed 04/21/16-page 4) I requested delivery in April 2016. The trustee Mr. Calvert told me I couldn't have my storage items back because they were in bankruptcy.

That was an inheritance from my dad that I entrusted to NorthWest Territorial Mint. I want my silver/money back and I do not think it is just that anyone else gets paid until I get what is rightfully mine.

Sincerely,

Jodie Hirtler
